

These Terms of Use and Privacy Policy regulate the provisions regarding the information and services provided by the Chint Green Energy website to users.

Each user who accesses [www.chintgreenenergy.com.tr](http://www.chintgreenenergy.com.tr) ("Site") or uses any information on the Site shall be deemed to have read and accepted the provisions contained in the Terms of Use and Privacy Policy.

## **CONDITIONS OF USE**

1. All kinds of content, promotion and information on the Site are for informational purposes and are not binding unless a contract is established between Chint Green Energy and the user. In case of a contract, only the content and information within the scope of that contract shall be binding. Chint Green Energy or any member of the board of directors, manager and/or employee of Chint Green Energy shall not be liable for any direct or indirect damages that may arise from accessing the Website, using the Website or the information and/or programs and data on the Website.
2. Chint Green Energy reserves the right to change, discontinue publication, reorganize or close the Site at any time without any prior notice, including all kinds of services, designs, products and information available on the Site and these Terms of Use and Privacy Policy. Changes made by logging in to the Site are deemed accepted by the user.
3. All rights of all written, audio, visual and electronic materials published on the Site, the intellectual and industrial property rights of which belong to Chint Green Energy, are reserved. The inclusion of these materials on the Site cannot be interpreted as any authorization, permission or license to use these materials. These materials may not be copied, reproduced, reproduced or used in any way without the written permission of Chint Green Energy. Any legal liability that may arise as a result of any use in violation of intellectual and industrial property rights belongs to the violating user.
4. Although measures have been taken to ensure that the Site is free of viruses, trojans and similar software, the user is obliged to supply his own virus protection system. Chint Green Energy cannot be held responsible in any way for any errors or consequences that may occur in the user's operating system or software due to accessing the Site.
5. Although every precaution has been taken to ensure that the Site is error-free, no guarantee is given regarding existing or possible errors. Chint Green Energy shall not be held liable for any interruption or delay in the published content or any damages that may be caused thereby.
6. The mere completion of the application forms on the Site does not allow users to claim any vested rights.
7. The Site may contain links or references to other websites over which Chint Green Energy has no control. Chint Green Energy is not responsible for the content of these websites and/or any other links they contain.
8. By using the Site, the User accepts, declares and undertakes that he/she has read this Terms of Use in its entirety, understands its content in its entirety and approves all of its provisions. Chint Green Energy reserves the right to reject the application request of the user who violates the Terms of Use and/or to cancel the contract signed via the internet and to take legal and/or criminal action against the user.

9. Terms of Use may not be copied, reproduced or used for any commercial purpose, even with reference to the source, without the written permission of Green Energy.

## **PRIVACY POLICY**

1. All data on the Site is the property of Chint Green Energy .No data on the Site, including code and software, may be modified, copied, reproduced, republished, transmitted, distributed, translated into another language or installed on another computer.

2. Chint Green Energy may share the personal and/or non-personal information (statistical data on the transactions made on the Site and similar) that you provide through the website with CHINT group companies, transmit and/or process it to CHINT group companies. By entering his/her information in the application form or any other field on the Site, the User accepts and undertakes that he/she consents to the use of his/her information by Chint Green Energy within the scope of this article.

3. Chint Green Energy has taken measures within the available means to protect the information entered by the user on the Site against unauthorized access, misuse and/or change. However, due to the nature of the Internet, no system is completely secure and therefore information may be taken and used by unauthorized persons at any time. The user accepts and declares that Chint Green Energy cannot be held responsible in any way in such a case.

4. Chint Green Energy has the right to investigate the user's information and notify the legal authorities in accordance with the legislation upon the request of the official authorities and / or upon the determination that the user has made any intervention, electronic attack that will prevent or affect the operation of Chint Green Energy.

5. Chint Green Energy and/or CHINT group companies have the right to reach the user for marketing, communication, notification and other purposes through letters, e-mails, sms, phone calls and similar means through the user information entered in the application form or any other field on the Site. Unless there is a written notification to the contrary, the user agrees that Chint Green Energy and / or CHINT group companies may engage in the above communication activities for him.

6. To help identify users, from time to time, information called "cookies", which show when and how the user uses the Site, may be placed on the user's computer in order to contribute to the development of the Site (the use of cookies is an industry standard and many websites use this method).

7. By using the Site, the User accepts, declares and undertakes that he/she has read this Privacy Policy in its entirety, understands its content in its entirety and approves all its provisions. Chint Green Energy reserves the right to reject the application request of the user who violates the Privacy Policy and / or to cancel the contract signed via the internet and to take legal and / or criminal remedies against the user.
